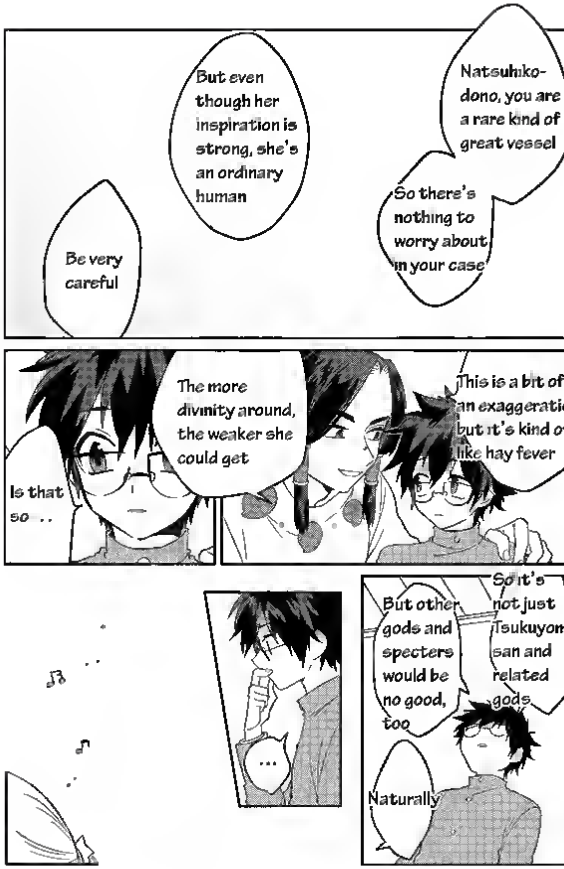
(Continued from Episode 13)
13話のつづきです

(I did mine myself) (I had Kushinada get them ready for me)

That's why you were wearing normal clothes
That's right
私はクシナダに見つくろってもらった
私は自分で
By the way, Natsuhiko-dono
?
Remember that young girl in the shrine the day I came to earth...
She is Haruka
Wh- Why not?
Into this shrine
She has a bright future, right, just as I said?
Leave your tastes out of this
Don't bring her

She's different in the same way you are
Not at all?
No, that's not it
Don't tell me Senoo-san is really an evil goddess, like something out of a manga
She's too fragile to interact with us gods
We call people who can speak with gods 神巫 (Kannagi)
Among them, those whose bodies we can inhabit are called vessels
Different people have different capacities for divinity
Exceed that capacity, and
The vessel will burst
!?



Natsuhiko-dono, you are a rare kind of great vessel
So there's nothing to worry about, in your case
But even though her inspiration is strong, she's an ordinary human
Be very careful
This is a bit of an exaggeration but it's kind of like hay fever
The more divinity around, the weaker she could get
Is that so ..
So it's not just Tsukuyomi-san and related gods
But other gods and specters would be no good, too
Naturally
...

(Pet Pet)
なで
なで
You're such a cutie!
(Rustle)

Whaaat?
Why don't we walk home together?
Senoo-san
Mm-hm
Err
(Ruffle Rustle)
ごそ
ごそ
OK!
Wait a sec
There's something I want to show you, Misaki-kun
Huh?
There's something I'd like to speak with you about
Ah!
That's right

Really
I guess we don't have to talk about it today
Mm-hm
I feed it
It's so cute!
It's a cat!
A cat?
We're getting pretty deep in the woods
I found it on a walk
There it is!

(Rustle)
You keep away
What kind of place is this?
Mil-chan
Something feels strange..

This place is no good Go home quickly.
You sure know how to keep your calm
That's not it
(Glare)
まじまじ
What is it?
A shrine where many people gather and the divinity is stable is a holy precinct where you will be protected, but
(Grunt)
よっ
You must sense it a little too
The gods at a shrine where nobody goes become wild and attract ghosts and specters
Put simply, it fills up with evil spirits
An uncomfortable feeling.
Either that or
It's no mistake

Does that mean it's dangerous for Senoo-san too?
Maybe
But it's not my business
I'm watching out for you alone
(Hmmph)
Then i'd better tell her to stay away from here
Hey!
ざく
ざく
ビクッ
(Huh?)
Misaki-kun
That's why I told you to keep out.

Uh...
Mm-hm
Isn't it cute?
It sure is
(Woosh)

What are you doing?
Shut up
Put down
ドッ ドッ
(Heartbeat)
Wha-
You're a wild spirit, aren't you?
That cat
Hmmm
I thought I'd found a nice vessel

That's all right
But it looks like it comes with a troublesome youngster
(Slip)
But I guess it's not yet time for that
(Grin)
I would have just faded away weakly...
I'd thought that a few decades after people stopped coming to the shrine

(Howl)
Change!
I'll take that great vessel
Run away
Yukihiro-san!
Are you still worried about her?
But Senoo-san!
(Thud)

Natsuhiko!!
Go, quickly
You're the target now
(Lump Lump)
Oof--
(Whap)
i can't--
Senoo-san--

Shit!
(Fwip)
ばっ
(Slice)

Huh?
(Fsshh...)
A slight graze
Yuki-kun!
And I was told to avoid stimulus as much as possible
I hope that will have no effect...

(Knead knead)
ねり ねり
(Tap Tap)

Why are you awake?
You . . .
(Wheeze)
ヒュッ
.....
Can it be?
You can't speak?
(Cough Cough)
ケホ

DON'T FORGET TO LEAVE A FEEDBACK.
THIS REDRAW LOOKS GOOD TO YOU, BURGHF
YEAH SHUU, BUT IT NEEDS MORE REDRAWS HERE AND THERE AND THIS
PROOFREADS DONE!, TYPESET THIS PLEASE.
ROLL UP THE NEXT UPDATE!
RAWS... MEAT?
HMMM...
TRANSLATIONS HERE I COME!
SCRIPTS
SEE YOU IN THE NEXT UPDATE~!
